OUR POSITIONING

**Structuring, connecting and
deploying economic projects
in Côte d'Ivoire.**

ABIDJAN · COCODY · AFRICA · EUROPE · USA · ASIA

THE GROUP

A strategic partner for your projects in Côte d'Ivoire

Y'CAB GROUPE supports the structuring, establishment and development of economic projects in Côte d'Ivoire, from idea to execution, through five coordinated divisions of expertise.

From idea to execution, structured support at every stage.

Who we support

- Public bodies
- Companies
- Investors
- Local authorities
- Technical partners
- Project developers

Nadine ZADI

Chief Executive Officer

— VISION

“

*Making Y'CAB GROUPE
a bridge of trust
between businesses,
investors, local
authorities and the
economic
opportunities of Côte
d'Ivoire.*

Our vision rests on four requirements: method, trust, local roots and impact.

“One method, one standard, a single goal: the success of your project.”

GROUP METHOD

Understand · Structure · Connect · Deploy · Sustain

Five disciplined steps to secure every project and reassure every partner, from first contact to lasting results.

Understand

The need and the context.

Structure

A realistic, fundable project.

Connect

The right partners.

Deploy

Implementation on the ground.

Sustain

Results over the long term.

A clear method, from diagnosis to long-term steering.

OUR EXPERTISE

Five divisions, one single point of contact

Each division steps in where it adds the most value, within one coordinated journey.

DIVISION 01

From diagnosis to a bankable project.

Feasibility studies

Strategic advisory & PM

Structuring & PPP

To secure a decision or structure a project.

DIVISION 02

From ideas to projects that matter.

Infrastructure & construction

Energy & solar

Territories & eco-projects

To design and deploy a high-impact project.

DIVISION 03

Mobility and real estate, without friction.

Vehicle rental

Real estate & residences

Mobility & relocation

To settle in and get around with peace of mind.

OUR EXPERTISE

Five divisions, one single point of contact

DIVISION 04

Your teams, your IT and your image — with confidence.

Human resources

IT & digital

Audiovisual & legal

To strengthen your support functions.

DIVISION 05

Your trade flows, secured.

Sourcing & supply

Commercial representation

Distribution & trade

To open and secure your trade exchanges.

“Five independent, complementary divisions, coordinated around a single goal: the success of your project.”

PROOF & FIELDS OF IMPACT
