OUR POSITIONING

**We structure and deliver
economic projects
in Côte d'Ivoire by connecting
the right partners.**

COCODY · ABIDJAN · AFRICA · EUROPE · USA · ASIA

THE GROUP

A strategic partner for your projects in Côte d'Ivoire

Y'CAB GROUPE helps clients structure, establish and develop economic projects in Côte d'Ivoire, from concept to execution, through five coordinated business divisions.

Structured support at every stage, from idea to execution.

Who we support

- Public-sector organisations
- Companies
- Investors
- Local authorities
- Technical partners
- Project sponsors

Nadine ZADI

Chief Executive Officer

— VISION

“

Our vision is to make Y'CAB GROUPE a trusted bridge connecting businesses, investors and local authorities with economic opportunities in Côte d'Ivoire.

Our vision is built on four principles: a rigorous method, trust, local insight and impact.

“One method, one standard, one goal: your project’s success.”

OUR METHOD

Understand · Structure · Connect · Deploy · Sustain

Five rigorous steps to reduce project risk and give every partner confidence, from initial contact to lasting results.

Understand

The need and its context.

Structure

A realistic, financeable project.

Connect

The right partners.

Deploy

Implementation on the ground.

Sustain

Results over the long term.

A clear method, from initial assessment to long-term project management.

OUR EXPERTISE

Five divisions, one point of contact

Each division contributes where it adds the most value, as part of one coordinated process.

DIVISION 01

From initial assessment to a bankable project.

Feasibility studies

Strategic advisory & project management support

Project structuring & public-private partnerships

To support sound decision-making and structure a viable project.

DIVISION 02

From ideas to practical, high-impact projects.

Infrastructure & construction

Energy & solar

Regional development & sustainable projects

To design and deliver a high-impact project.

DIVISION 03

Seamless mobility and real estate solutions.

Vehicle rental

Real estate & accommodation solutions

Mobility & relocation

To settle in and get around with peace of mind.

OUR EXPERTISE

Five divisions, one point of contact

DIVISION 04

Reliable support for your people, IT and brand.

Human resources

IT & digital services

Audiovisual production & legal support

To strengthen your support functions.

DIVISION 05

Secure trade flows.

Sourcing & supply

Sales representation

Distribution & trade

To develop and secure your trade operations.

“Five independent yet complementary divisions, working together toward one goal: your project’s success.”

PARTNERS & AREAS OF IMPACT
